# TP140B Report Printer

*by RJS TECHNOLOGIES*

## Easy to Use:
Writen Recordkeeping

## Inspection Report Printing

The TP140B Report printer allows for printing of inspection reports from your Inspector series bar code verifier.

The printer provides a simple report that will have a line for each bar code inspected.

Note: The Verifier Computer Interface Report (VCIR) is required if you need the Scan Reflectance Profile (SRP).

## Features

- Compatible with I-5000 (all models), D4000 (all models), I-4000, L-1000, and I-3000 bar code verifiers
- Record keeping for proof of compliance
- Printed on a 4 inch wide direct thermal report
- Provides all bar code inspection details (varies by bar code verifier model)
